To whom it may concern:

Re: John D. Faucher

John Faucher was a major help to me in fighting off the tentacles of a bank trying to attach all my assets in a commercial foreclosure action. He provided clear guidance and counsel. In the end, the bank was able to take only the property in foreclosure. Mr. Faucher also provided clear guidance in setting up a family trust. I appreciate Mr. Faucher's sense of morals and justice in both of these actions.

Sincerely,
